Colegio Brains

TALENT SCHOOL

Do you like to sing? Would you like to play the piano, guitar, bass or drums? We present the new group teaching proposal from the School of Music, with which you can enjoy music intuitively and by playing.

Throughout the course you will acquire basic knowledge of various instruments, so you can play the songs you like in a group.

To join our classes, it's not necessary to have previous knowledge, or have a continuity of practice at home, as it is in the case of formal piano classes, for example
