Each day they'll be welcomed by our guides, who'll be in characteristic dress for the occasion, with typical music from the country, so that they can get into the culture and the customs from first thing in the morning.

The day's activities
will be organised in 5
main areas:

TRADITIONS

ART

Arts and crafts related to each country (painting, pottery, costumes, T-shirt dying, makeup, etc.), virtual tours around the country's most famous museums and art galleries.

MUSIC
