TIMETABLE AND GROUPS

Starting in Primary 4:

2 weekly periods of 1 hour each.

Monday and Wednesday: 16:45 a 17:45 h.

Our students in Brains International School take both French and German classes up to Primary 3. In Primary 4, they opt to continue one of these languages.

In this extracurricular activity, we offer the chance to continue coursing the language given up by the student in order to follow through with the Brains Schools multilingual project.
