In our swimming academy, students will practice every sporting discipline possible in a semi-olympic pool: swimming, waterpolo, synchronised swimming and underwater hockey.

Our facilities are suitable for all ages, from 3 year-olds to adults. Unlike traditional academies, we use swimming as a tool to develop a fun and friendly environment.

### TIMETABLE AND GROUPS

**In order to sign up for this activity or get more information:**

Please contact the Brains Swimming Academy via telephone or email:
