# EXTRA CURRICULAR ACTIVITIES BRAINS La Moraleja 2023/2024

## **SCHOOL OF MUSIC**

The Brains International School School of Music offers children, teenagers, and also adults, the chance to study music for the first time or to become proficient in playing an instrument. The philosophy of our work can be summed up in three main ways.

- » A teaching methodology and attractive repertoires that meet the particular needs of each student.
- » Constant communication with families in order to encourage and enhance the practice each student does at home.
- » The creation of a programme of concerts and recitals, with the idea of developing long- and medium-term objectives that give the student an incentive to practice.
