Authorized by the Spanish Ministry of Education
(B.O.E. 15.11.2007/B.O.E. 29.12.2007)

Membership

International Baccalaureate Organization (IBO)

Our School

Brains International Schools is a prestigious group of private independent bilingual schools founded in 1979 with an educational offering that extends from Nursery School to Secondary. Our excellent academic record, focusing on technology, sports and languages, makes us a leading provider of international education in Madrid and Canary Islands. **We are the only group of schools in Spain to be recognized as Apple Distinguished Schools Group.** Our **mission** is to form students as whole, competent people, with the capacity to react to change with confidence and security. Brains students are proud to have received their education with us.

In Brains International Schools, our **vision** is to nurture passionate, creative and balanced people, who are the owners of their own destinies, who are socially-minded and change makers, with a global outlook with which to invigorate the world.

Each one of our students is at the center of the Brains education project, which firmly promotes the following **values**:

Brains Values

International and intercultural mentality	Critical thinking, autonomy and personal balance
Respect and tolerance	The philosophy of effort and team work through sports and general studies
Positive attitude	Solidarity, honesty, resilience and empathy
Sense of humanity	Commitment to environmental awareness

The Students

Size of Class of 2024: 77 (35 full IB DP students + 42 Spanish National Curriculum Diploma students)

Our international student body is made up of 66% Spanish nationals and 34% of students from more than 33 countries.

Of the 362 students in the Secondary School, 77 were graduating seniors. **Due to the small class size and competitive and rigorous nature of the Diplomas we offer, we have chosen not to rank our students.**

The Staff

The Secondary School staff consists of 70 international teachers. Over 80% of teachers hold a master's degree; over 20% hold Doctoral degrees. The student faculty ratio in the Secondary School is 5:1.

The Curriculum

Brains International Schools offers the most demanding academic program to its Secondary School Students. In Grades 9 and 10 students complete the mandatory Spanish National Curriculum. In Grades 11 and 12 students may choose to study the National Spanish Bachillerato or work towards the IB Diploma. All IB students are expected to fulfill the Creativity, Action and Service requirements of the IB Diploma program as well as the Theory of Knowledge course and the Extended Essay which are requirements of the IBO.

The School Day

The school day begins at 8:50am and ends at 4:30pm; there are a maximum of 8 academic class periods per day of 50 minutes in duration. A broad range of extra-curricular activities are available for students to develop new skills, practice a sport or express themselves through the arts (<https://www.colegiobrains.com/colegios/la-moraleja/#actividades-extraescolares>).

BrainsMUN. Our student-led MUN delegation travels to national and international conferences each year. In December 2023 we hosted the 5th edition of BrainsMUN on campus with over 150 delegates attending.

Founded in 2016, **Brains Academic Debate Club** participates in over 15 regional and national tournaments per year, winning 20+ titles for both team and individual performance in English and French debate.

Students can earn a certificate through our pre-university courses taught in conjunction with local universities and associations.

- Quality and Operational Excellence – Spanish Association for Quality
- Formula Brains – CINNED Foundation and Moddom Digital, sponsored by Aston Martin
- Brains Humanities School – Universidad de Navarra

IBO SCHOOL STATISTICS	2022	2023	2024
Number of Diploma candidates registered in the session	46	29	35
Number of candidates who passed the Diploma	44	28	33
Average points obtained by candidates who passed the Diploma	34	32	34
Highest Diploma points awarded to a candidate	42	44	43
Session pass rate	96%	97%	94%

SPANISH UNIVERSITY ACCESS EXAM RESULTS (EVAU 2022)	
Session pass rate	100%
Overall average	7.96/10
Highest mark awarded	13.625/14

School Transcript		
The school uses the IBO's 7 point grading scale in Grades 11-12 for the Diploma Program. The Spanish National Bachillerato uses a 1-10 point grading scale.		
IB Grade		Spanish National Bachillerato
7	Excellent	9-10
6	Very Good	7-8
5	Good	6
4	Satisfactory	5
3	Marginal	4
2	Poor	
1	Very Poor	1-3

All Brains IB Diploma students are given the opportunity to take the IB exams – we do not have a selection process to sit the exams. In 2024 all students sat the official IB examinations in person. Their final results were not calculated through alternative assessment options

We do not calculate Grade Point Averages. All grades are unweighted. Predicted IB scores are available.

College and University Acceptances

Students at Brains International Schools can be assured of receiving an education that will prepare them for further education at universities worldwide. Graduates of Brains apply to schools in a range of countries including UK, USA, The Netherlands, Canada, Italy, France, Germany and Spain. The majority of 2024 graduates attended universities in Spain (84%), the remaining students (16%) in the UK, the US, The Netherlands and other countries.

In addition to all of the major public and private universities in Madrid, the following colleges and universities have admitted our students in recent years:
